

VIRTUALMAXX WIRELESS VR

GAME CHANGING VR FOR ENTERTAINMENT BUSINESSES

Virtual Reality has rapidly become a household name in Family Entertainment Centers. Let's take it one step further. We are happy to introduce you to our VirtualMaxx Roaming VR system: our fully wireless VR solution.

As you may experience through all our products: we are strong believers in giving you the ability to generate volume. Our games are fast paced, able to be played in groups and with our VirtualMaxx Free Roaming, you will be able to host an unmatched VR solution for up to 8 players at the same time!

We will supply you with all software required, both for players and operators. If you already have your own hardware that is compatible and up to specs, you are more than welcome to use this.
