

Thank you for your interest in the most entertaining and compact laser tag system available! LaserPlay is a fun combination of tag & seek with a little science fiction. It's easy to see why laser tag is a massive hit at birthday parties!

LaserPlay plays directly into interesting commercial entertainment markets (young and old) by providing a durable and fun system. Smartly positioned LED's and transparant covers attribute to a colorful experience, while the versatile and stable software ensures your players of an unmatched experience. What's more: through integrated automation of business proceedings and through usage of durable materials, LaserPlay offers you all tools to maximize your commercial success.

Please take a moment to review our pricelist and note that our packages contain everything needed to play a game of laser tag at your facility.

Feel free to give me a call, or even better, send me an e-mail at marcel@lasermaxx.com with your business proposition. I will also gladly answer any question you might have.

Naturally, we are very proud about the products we designed and perhaps the best way to understand the quality of our equipment might be to simply meet us. You are very welcome!

Best regards,

Marcel Röhrs
